

THE FUTURE

DOESN'T START TOMORROW,

IT STARTS FROM

WITHIN

FREDERIK
G. PFERDT

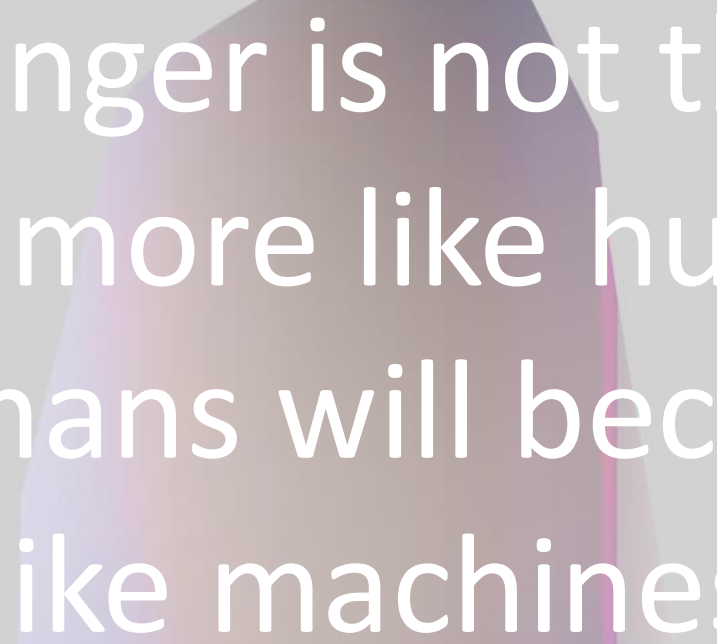

The background features a network diagram with a central node connected to several peripheral nodes by thin lines. There are also several isolated nodes. The nodes are represented by small circles, some of which are colored in shades of blue and purple. The overall color palette is soft and pastel, with a mix of purples, blues, and pinks. The text is rendered in a white, pixelated font.

The background is a light gray with several overlapping geometric shapes. A large, dark gray triangle is on the left. A purple and pink gradient shape is on the top right. A green and yellow gradient shape is on the bottom right. A white line forms a partial triangle at the bottom left. Three white circles are scattered on the left side. A white rectangular frame is centered, containing the text.

JUST DO
NOTHING

The background is a light gray with several geometric elements. A large, semi-transparent cube is centered, with a white outline. The cube's faces show a color gradient from purple at the top to green at the bottom. To the left of the cube, there is a solid white circle at the top and a white outline of a circle below it. To the right, there is a white outline of a circle. In the bottom left corner, there are white lines forming a partial triangle.

“The question is not whether
intelligent machines can think,
but whether humans can still
feel.”

The background features a large, semi-transparent, multi-colored prism on the left side, displaying a rainbow gradient from purple at the top to red at the bottom. To its right is a smaller, semi-transparent grey cube. The text is overlaid on these shapes.

WHAT'S NEXT
IS *HOW*

The background features a large, tilted, multi-colored polygon that resembles a prism or a piece of glass. The colors within the polygon are a mix of soft blues, purples, pinks, and greens, creating a rainbow-like effect. The polygon is set against a plain, light gray background.

WHAT'S NEXT
IS *NOW*

An abstract background featuring a large, multi-colored, translucent shape that resembles a prism or a piece of glass. The shape is tilted and has a rainbow-like color gradient, with colors ranging from blue and purple on the left to green and yellow on the right. The shape is set against a light gray background.

WHAT'S NEXT
IS *YOU*
